BIZ KIDZ – THE NEXT GENERATION

Shaping Today's Young Trailblazers Into Tomorrow's Business Moguls

**Are you a Student, Alumni, Professor, Director, Counselor, Advisor, Homeschooler,
or Other Educator Affiliated with a University, College, Educational Institution,
High, Middle, or Elementary School?**

Do you know a kid, teen, or young adult, between the ages of 8-21,
who aspires to be a young entrepreneur?

Are you ready to help support your young entrepreneur in gaining
real-world business knowledge and experiences?

If you answer YES,
The Biz Kidz "Next Generation" Project is for you.

We are looking to collaborate with affiliates and partners
interested in connecting aspiring young entrepreneurs in turning
their creative ideas, skills and talents into a
money-making business.

Join our Biz Kidz initiative today and learn how your kids and
teens can start and grow a business, compete for scholarships,
win laptops, and participate in online pitch competitions,
workshops, vendor exhibits, award ceremonies,
networking opportunities,
and much more.

**Discover how, together, our community can help young leaders
shape a promising bright business future.**
